Hi Frank,

Our field deputy, Jaun, is out with Sanitation conducting a homeless encampment cleanup. They discovered a live wire facing the public right of way, coming from the private building. It seems it has been tampered with. One of the Sanitation workers was shocked by the live wire.

Not sure if your office would handle this, but could you point me in the right direction?

Property Address is 3755 Beverly, cross street is Juanita.

Juan is out in the field now and his cell is 213-598-5306

Thanks!

Can you help report to ASAP? Would this be LA DBS?
